Dear delegates,

On behalf of the organizing committee of Indian Psychiatric Society South Zonal Branch CME for Practitioners 2023, we extend you a warm welcome to Kozhikode. After a few years of uncertainties and confusion, we are extremely happy to have a full fledged CME in offline mode for the entire South Zone. Having successfully hosted various South Zonal events previously, we consider this as a privilege to get this opportunity. We have arranged an academic feast from the perspective of a practicing psychiatrist and incorporated topics with immense relevance in day-to-day clinical practice. Kozhikode is well known for its mesmerizing beaches, culinary specialties and warm hospitality apart from a rich literary and cultural heritage. Looking forward to hosting you,

With warm regards
