Annual Post Graduate Training Program

Second Communication

Dear Sir / Madam,

Greetings to you from the Organizing Committee of the Chennai Psychiatric Society, Tamil Nadu Chapter of IPS and the CME Committee of South Zonal branch of the Indian Psychiatric Society. We are most pleased to announce the **Annual South Zone IPS PG Training Program** to be held on **3rd and 4th of June, 2023** at **Chennai**, Tamil Nadu. This year the program is organized by the Department of Psychiatry, SRM Medical College Hospital & Research Centre and the Institute of Mental Health, Chennai.

The theme for this year's PG Training Program will be "**Recent advances in Psychiatry – A Tectonic shift**". The program aims to update the recent changes and advances made in the field of Psychiatry, including Psychiatric specialties, to our Post Graduates.

This annual training program for the Post Graduate trainees in Psychiatry will be of immense help to them in understanding the nuances in the ever changing field of Psychiatry. The conceptual and practical changes from ICD 10 to ICD 11 and DSM-5 to DSM 5 –TR shall be covered in the selected topics of the training program. There will be sessions covering the salient aspects of the PG training including classificatory systems, investigative & interventional techniques, child psychiatry, Geriatric Psychiatry and Forensic Psychiatry. PGs can actively take part in Case presentation, research methodology, free paper presentations and the Spandana PG Quiz-the winners of which shall be awarded prizes at IPSOCON-2023.

This program is for the benefit of the PGs of the South Zone and like previous years the registration and accommodation will be arranged free of cost. They will get an opportunity not only to hone their skills but also to meet and interact with their fellow PGs from other states. Hence, I request you to kindly depute and send your Post-Graduate / Junior Resident in Psychiatry from your esteemed Institution.

Thanking You

With warm regards,

Dr. Poornachandrika
