Dear President,

Greetings to all on the occasion of Independence Day. This is to inform you about the elections of our Zonal Branch. With a nice coordination within and help from the Hon. General Secretary, Hon. Treasurer, Web Committee and others, nominations, scrutiny and finalization of contestants have proceeded smoothly. Hon. General Secretaries of the State Branches are involved in updating and finalizing the voter-list. We are moving into setting the electoral process from 15th September onwards.

The details about the four vacancies are as follows:

1. Vice president Com President – received only one nomination and hence no elections for this post.
2. Representative to National EC – received two nominations and only one nomination was valid after scrutiny and hence no elections for this post.
3. Hon. Editor - received THREE nominations and 1 member withdrew the nomination. Finally there are two valid nominations and **elections will be held for this post of Hon. Editor this year.**
4. Women Representatives – No nominations were received for this post. Hence they will be elected during the AGB.

This for your information and for expressing our thanks to all the helping hands for their unflinching support.

With warm Regards,

Yours sincerely,

Dr. Kasthuri Pandiyan: Chair Person
Dr. Mayurnath Reddy, Returning Officer
Dr. Narasimha Reddi, Election Officer
