# INVITATION

From the Organizing Team

On behalf of the Organizing team, we extend a warm welcome to all of you for the upcoming Continuing Medical Education (CME) event in 2025 with great excitement and anticipation. We invite you to join us as we delve into the theme of – “Navigating Treatment Challenges in Psychiatry” with all the mind specialists by the sea.

As an organizing committee, our primary objective is to create a platform that fosters knowledge exchange, collaboration and innovation within the field of psychiatry. We understand as practitioners and students you may be facing unique dilemmas in your daily clinical practice, we will discuss navigating these difficult challenging situations.

The CME event will serve as a hub for thought provoking discussions, interactive deliberations and presentations by renowned experts in the field. Our aim is to provide you with valuable insights and practical tools that can enhance your knowledge and approach in handling treatment challenges.

By attending this event you will have the opportunity to network with like minded professionals who share your passion for advancing mental health care. It is our belief that through collaborations and shared learning experiences, we can collectively contribute towards improving patient outcomes.

We are confident that this CME event will leave a lasting impact on your professional development while providing you with fresh perspectives on addressing the intricacies and complexities faced in your practice.

We look forward to welcoming each one of you at this highly anticipated gathering of 2025. Together, let us embark on the journey of navigating the treatment challenges in Psychiatry.

With warm regards
